Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Livermore Falls and Jay Wastewater Treatment Facility in Fiscal Year 2022.

The entity to receive funding for this project is the Town of Livermore Falls, located at 2 Main Street, Livermore Falls, ME 04254. The funding would be used to assist two communities in replacing their aging joint wastewater facility. Federal funding will help to reduce the burden on two towns that have seen a changing and declining industrial base. The wastewater treatment facility is critical to continuing improvements to the water quality of the Androscoggin River.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "Jared F. Golden".
